

This adorable fella is Moose (Moosie); he is a gorgeous 6 year old male Shih Tzu. Moosie came into rescue when his family had a new baby and didn't have enough time for him any longer. If you are looking for a best friend, Moose is it. He is a happy little guy who adores his people and is a total cuddle bug – he will sit right next to you while you watch TV, read, or relax. Moose loves walks, people, food, playing with his toys, car rides, and other dogs. Moose is house trained, sleeps through the night, and up-to-date on routine shots. Moose is good children; however, due to his size, he will do best in a home with children 12 years or older. He is a very friendly dog and easy to take care of...we're sure you will love him!
